

NWA BEEKEEPERS MONTHLY MEETING

FEBRUARY 2024

MINUTES

February 12, 2024 ~ First Meeting of 2024

Jay Davidson, President opened the meeting with a welcome followed by announcements:

- Association survey
- Mentoring to start up
- Membership renewal available on line or in person (see treasure)
- Swarm sign-up

Three Door prizes were drawn following the announcements.

Jay gave a timely presentation on “*What’s in the Hive*” : What beekeepers should be expecting and attending to this coming month.

Winfridus Bakker gave a presentation on
“*Pruning for a Healthy Bee Garden to maximize flower, fruit & berry Production*”
Please see the slides on website for full details.

Xavier Price gave a presentation on “*The Arkansas Beekeepers Year ~ Winter to Spring*”
Detailed information on caring for your bees and apiary from December through March.
Please refer to slides posted on website for further details.

The meeting concluded with the breaking into smaller groups in order to allow for further questions and discussion.

All NWABA board members were present for the meeting.
A total of approximately 65 people were in attendance.
